## A TRACK RECORD

Lowered as a Closing Feature of the Last Day of the Fair.

ACE, IN THE FREE-FOR-ALL PACE

Established the New Record of 2:09 1-4, in Three Fastest Heats

IN A RACE ON HALF MILE TRACK.

THE AFTERNOON RACING WAS REPLETIVE WITH BRILLIANT BURSTS OF SPEED, AND THE EVENTS CHEERED BY AN UNUSUALLY LARGE CROWD FOR THE LAST DAY—THE BALLOON ASCENSION ALSO CAPPED THE WEEK'S CLIMAX—OTHER DETAILS OF THE DAY.

The state fair of 1898 passed into history last night with the closing of the gates. Until the books are balanced it will not be known how great the fair was a success financially, but in every other respect it put the fair of other years in the shade.

Rain was a strong handicap on Wednesday, making that day a failure as compared with the corresponding day last year. In answer to the appeal made for a large attendance on Thursday, a crowd turned out that equalled in attendance the highest expectations, a conservative estimate placing the crowd as numbering 17,000 people.

Yesterday another big crowd was necessary for the financial end of the fair, and all things considered, Wheeling did well. There were probably 7,000 people on the grounds, nearly all of whom reside in this old town, and judged by the statement of Frank P. Daly, who handled the pasteborders for the grand stand, yesterday's crowd was just twice as big as Friday's of last year. This being true of the grand stand, it is reasonable to presume the same was true of the number outside the enclosure. At any rate, the crowd was satisfactorily large, though not too large for comfort.

Perfect September weather was the rule for the closing day of the fair, and as it capped the climax the track record was lowered to 2:09 1-4, in the free-for-all pace, one of the features of an intensely interesting racing card. Yesterday's racing was characterized by pretty speed work throughout, and in fact, nonpartisan racing has characterized this year's fair. The racing was the whole thing yesterday. The balloon ascension, also, was the best of the week, the aeronaut letting down three parachutes in addition to the one which returned him to terra firma.

At 4 o'clock the exodus of exhibitors and amusement men was well under way. The midway magnates didn't give up the ship until that hour. Then the wild girl from Australia bade adieu to the two-headed baby, the snake charmer gave a parting embrace to the fat woman, the "nigger babies" nodded over the cane racks to the watermelon stands, "When shall we meet again?" asked the colored gentlemen, whose protruding heads from the canvas walls were targets at so much per throw, of the dimes they had spent at the lunch counter on their way from the grounds—yes, tears were shed on a midway which now lives in memory only.

The work of removing the exhibits was not completed last night, and teams and wagons will be frequent spectacles on the grounds to-day. The gates were left open later than usual to accommodate exhibitors and horsemen, and darkness, in fact, had settled down before the last trotting race could get more than two heats. One horse winning both, it was given the race, as detailed elsewhere.

**TRACK RECORD LOWERED**  
In the free for all pace for 200 yds.—splendid speed events yesterday.

There were five races on the card, including a running race, all of which were exciting, and the track record was lowered to 2:09 1-4 in the free-for-all pace by Ace, owned by H. Sisson, of London, Ontario. The Canadian horse trotted two heats in this fast time, and captured the next and the race in 2:11. The racing was the day's attraction and it was a worthy attraction.

The 2:11 trot, the first race, was won by J. W. C. Six heats were necessary, and Lady Kibuck, who won two of them, was pulled in the last heat, for which her driver received the judge's censure. The driver was fined \$50 and all bets were declared off.

Gladys took the 2:28 pace in three straight heats. On account of darkness, only two heats of the 2:28 trot could be pulled off. Both went to Bertha Lee, and the race was given to her. The Lee was very much in evidence, Jean Lee getting second place.

Monroe Doctrine won both heats of the running race. The fair association made a mistake in putting a running race on the card, for none was more enjoyed.

The races were in detail as follows:  
2:11 TROT.  
First heat—Max T. J. W. C. Fleming, C. Lady Kibuck, T. F. Ferguson and Edna Crook faced the starter at 12 o'clock. Thoroughbred being scratched. Max T. looked good for the heat, but the Lee was very much in evidence, Jean Lee getting second place.

## SCHOOL DAYS—D. GUNDLING &amp; CO.

## School Days Approach.

The boys have had a high old time during vacation, and while their boyish sports and outdoor exercise have given their cheeks a brighter glow of health, their clothes in many cases are the worse for the fun, and they must have a new suit. Where to get the best for the least money is what is puzzling some parents, but there are many parents that know from experience that we always sell Boys' Clothing a little cheaper than any other house.

Boys' Suit, good quality for.....\$2.00

Boys' Suit, a little better for.....\$3.00

Boys' Suit, still better for.....\$4.00
